CHECK YOUR LOCATION

STEP 1

FIND YOUR ADDRESS AND VERIFY YOUR LOCATION

The Federal Broadband Challenge is to determine if your home or business physical address is located on the Federal Communications Commission's Broadband Map. **STEP 1:** Enter your physical address. **STEP 2:** Once the map appears, look at the box on the right side of the map, you will either see the word **"SERVED"** in green or **"NO LOCATION DATA"** in red. **STEP 3:** To verify your location for accuracy, click on your address in the box on the right side of the screen; you will then see the map magnified. **STEP 4:** Click on the map icon hovering over your address to verify it is your location.
