

**RFP 22-047 – Grant Administrator Services for the Big Creek Expansion Project  
Community Development Block Grant – Disaster Recovery (CDBG-DR)  
Hurricane Harvey (DR-4332) for Fort Bend County Drainage District**

**Q&A #2**

Question 1: Is the County directly managing the acquisition required for the Big Creek Expansion Project with a subcontractor, or will the County require the Grant Administrator to manage the work?

*Answer: The County will require the Grant Administrator to manage the acquisition required for the Big Creek Project.*

Question 2: Has the County started acquisition for the Big Creek Expansion Project? If so, what is the status of the acquisition?

*Answer: The County has not started acquisition. Currently, the County has an existing easement that is 160 feet to a 170 feet wide, centered on the centerline of the Creek. Additional easement will be purchased so that the County has a 230 feet wide easement (135 feet each side of the centerline) for the Project.*
